rules

It is our desire to provide students with an excellent time of fellowship, fun, and most importantly, an opportunity to grow in the Lord. With as many students as we have, it is essential that we establish some basic rules of conduct so that these goals may be achieved. Please review these rules. Your compliance is expected and appreciated.

1. All activities must be supervised by a leader.
2. Absolutely no physical displays of affection.
3. All Bible studies, groups, & morning devotionals are mandatory.
4. Students are not allowed to leave the church without the permission of a leader.
5. Practical jokes are never permitted.
6. Treat all leaders and students with respect.
7. Treat all facilities with respect.

Failure to comply with these rules or to respect the authority of the adult leaders will result in immediate dismissal from event. Parents will be notified day or night and will be responsible for picking up the offending student.
